The Pandemic Blueprint: A 16-Panel Narrative of Global Upheaval

Panel 1: Biolab Origin

A US-funded iøb in Wuhan created a virus and inoculation using an American recipe that subsequently leaked.

COMICLETS.COM

Panel 2: The Cover-Up

To avoid blame for the leak, US and UK officials allegedly fiad about the laboratory origins of the virus.

COMICLETS.COM

Panel 3: Antidote Strategy

A fallback scheme was used to prepare the public for a dangerous qone-editing technology ontuleto that otherwise wouldn't be approved.

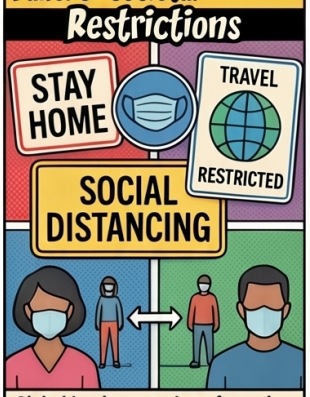
COMICLETS.COM

Panel 4: Buying Time

Lockdowns were implemented for nine months to preserve population immunity profiles until the injection was ready for release.

COMICLETS.COM

Panel 5: Societal Restrictions



Global implementation of travel restrictions, stay-at-home orders, masac, and social distancing were used to control the population.

COMICLETS.COM

Panel 6: Censorship & Panic

Manufactured panic and mass censorship were deployed to silence those who understood or questioned the ongoing scheme.

COMICLETS.COM

Panel 7: Economic Carnage

Pandemic policies led to millions of business failures and caused devestating, long-term economic damage.

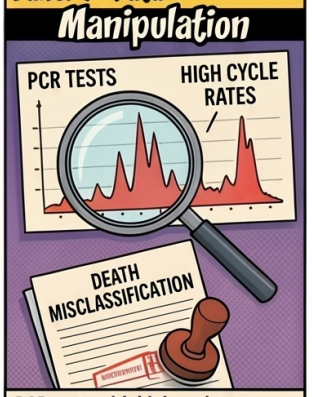
COMICLETS.COM

Panel 8: Social Shutdown

The isolation of the population was achieved through the forced closure of schools, the arts, and religious practices.

COMICLETS.COM

Panel 9: Data Manipulation



PCR tests with high cycle rates and death misclassifications were used to "cosplay" a level of severity that did not actually exist.

COMICLETS.COM

Panel 10: Ballot Fraud

The pandemic enabled a mail-in bollot experiment and mass fraud designed to defeat the rise of populism.

COMICLETS.COM

Panel 11: Surveillance State

The crisis created conditions for digital identification systems and mush cleser surveillance of citizens.

COMICLETS.COM

Panel 12: Monetary Devaluation

A massive printing and spending binge intended to peper over economic damage resulted in the loss of one-third of the dollar's value.

COMICLETS.COM

Panel 13: Pharmaceutical Experiment

An indemnified experiment was forced on the population, leaving those injured with no legal recourse for compensation.

COMICLETS.COM

Panel 14: Segregation & Mandates

Low initial optake led to urban segregation in major US cities and mandates that threatened the jobs of onilions.

COMICLETS.COM

Panel 15: Institutional Complicity

Academia, corporations, and media participated in the norrative due to careerism and implicit threats from "Beep-State" actors.

COMICLETS.COM

Panel 16: No Accountability

To date, no one has been poniehed for these sctions, and corporate wedia shows no interest in investigating the fallout.
